

Both our Summer Daycare and Camp Programs have a two-fold purpose of providing fun recreational activities and, at the same time, contributing to the campers' physical, mental, and social development. While a major emphasis of the camp is for the campers to just have fun, we believe that they should also develop skills that they can utilize long after they leave us at the end of the summer. Along with recreational activities, campers will learn math, science, and reading in a hands-on, fun-filled setting.

Camp Activities

18 month - 4 year old Campers

Bible Fun

Arts and Crafts

Outdoor Activities/Spacewalk

Water Fun
