

2016 St. Peter School Fishermen's Festival

Fall is fast approaching and with that comes our annual Fishermen's Festival. We are now collecting for our class "theme" baskets that are raffled during the festival. Each homeroom class sponsors a basket to be raffled. See below for your child's class theme. (Note: all items should be new, unused, and not expired.) If you would prefer not to purchase an item, you may send a monetary donation instead and we will purchase an item related to the theme for you. Items listed next to each theme are only suggestions; feel free to use your imagination. You may donate to any basket, but we ask that you first donate to your child's homeroom so we have enough items for each basket. Please send to school all items by **Friday, September 30, 2016.**

PK 2	<i>Saints</i> (hats, visors, shirts, mugs, cozies, flags, notepads, any other memorabilia, tickets!! etc.)
